ADIM KOZA HYDRAULIC & PNEUMATIC
COMPANY and PRODUCTS

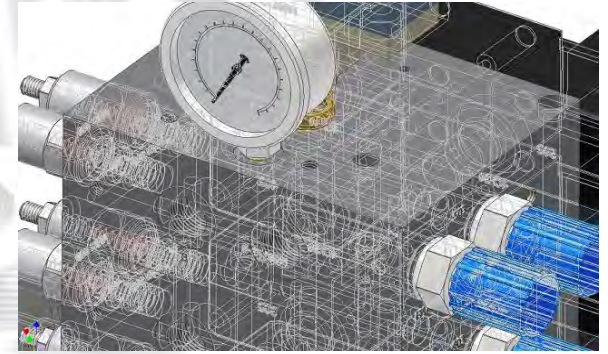

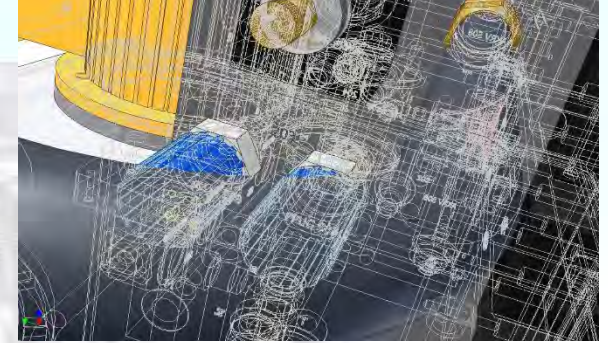

- Established in 2001 in Ankara
- With the help of 30 year experience in the sector, giving top level engineering services.

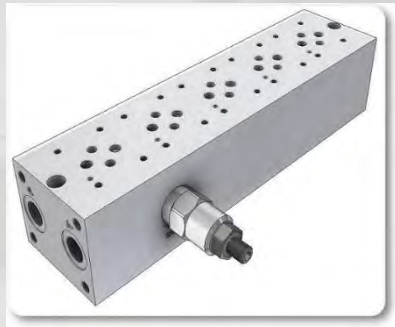

Fields of Activity

- Engineering/Colsultancy
- Manufacturing
- Marketing/Distributorship

- ❖ Every kind of hydraulic project drawing
 - ❖ Consultancy services to the customers to set up the right Project with the right equipment
 - ❖ Hydraulic system design
 - ❖ Manifold design
 - ❖ Special cylinder design
 - ❖ Hydraulic power pack design
 - ❖ Hydraulic test systems design
 - ❖ Hydraulic design of track laying vehicles
 - ❖ Hydraulic system design of dams and hes
 - ❖ Hydraulic press design
 - ❖ Carteidge valve design
-
- 2D and 3D drawings
 - Every kind of engineering calculations

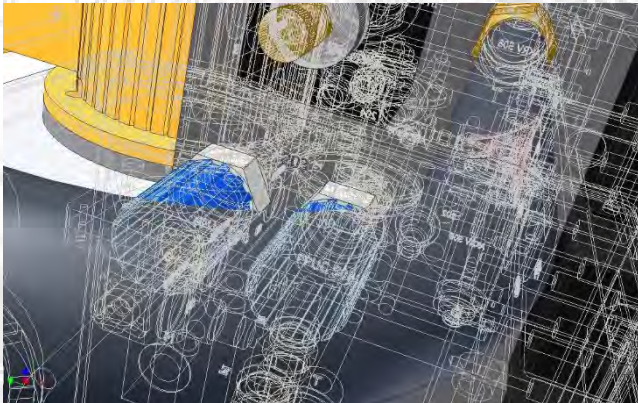

- Precise manufacturing by the help of CNC machines
- Quality and solid material usage for long life time
- After sales maintenance and services
- Precise manufacturing according to 2D and 3D drawings

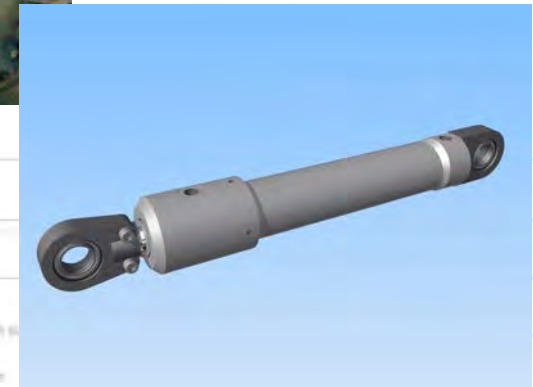

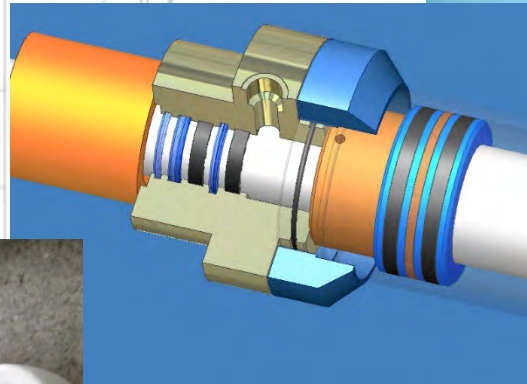

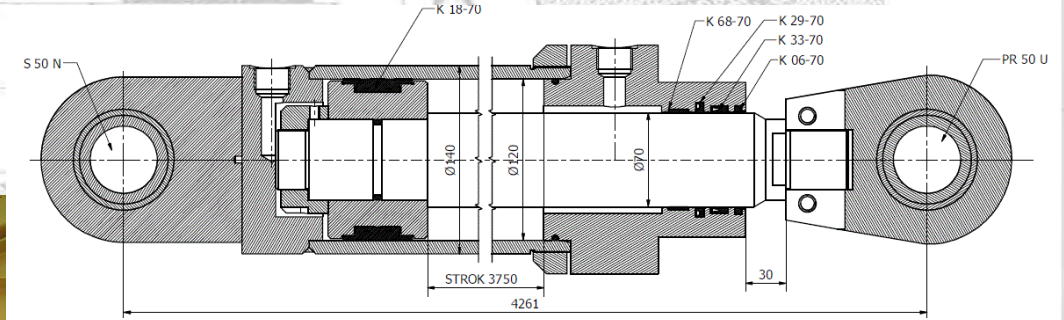

HYDRAULIC MANIFOLDS

- Every kind of standard and special manifold design and manufacturing
- Aluminium, steel and cast iron material
 - Aluminium with high durability
 - Durable coating according to customer demand
 - GGG50 Sfero
- Special design suitable to every cavity

HYDRAULIC CYLINDER

- Special design cylinder manufacturing
- Engineering calculations for every part
 - Suitable sizing
 - Suitable seal choice
 - Durability calculations
- Hydraulic and hydro-pneumatic cylinders

HYDRAULIC POWER PACKS

- Special design power pack manufacturing
- Engineering calculations
 - Suitable sizing
 - Suitable cooling system
 - Suitable equipment choice

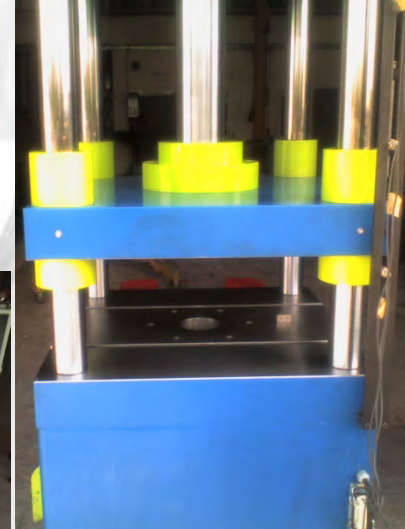

MANUFACTURING

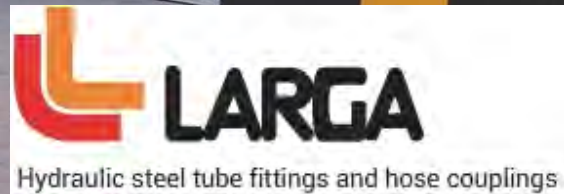

OTHER PRODUCTS

- ❖ Cartridge valves
- ❖ Hydraulic presses
 - ❖ H Type
 - ❖ C Type
 - ❖ Special design
- ❖ Test devices
- ❖ Hydraulic systems of track laying vehicles
- ❖ Dam and HES hydraulic
- ❖ Hydraulic and pneumatic training sets
- ❖ Industrial Solutions

METRIC AND SAE SERIES HYDRAULIC CARTRIDGE VALVES
ORIGIN: ITALY

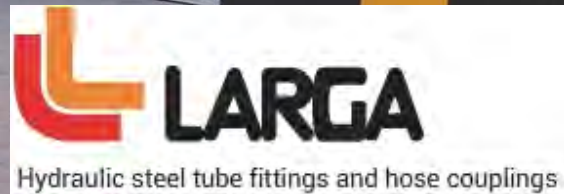

- Pressure Relief Valves
- Pressure Reducing Valves
- Sequence Valves
- Directional Control Valves
- Flow Control Valves
- Motion Control Valves
- Solenoid Valves (Poppet Type)
- Solenoid Valves (Spool Type)
- Proportional Solenoid Valves
- Logic Valves

CLOSED LOOP PUMPS AND MOTORS

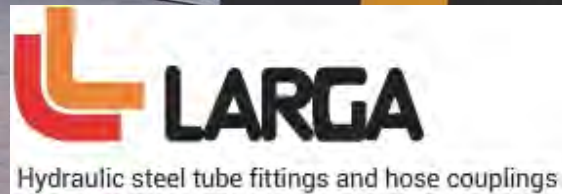

ORIGIN: ITALY

- Closed Loop Variable Displacement Axial Piston Pumps
- Radia Piston Pumps
- Electro-Hydraulic Pumps
- Fixed Displacement Axial Piston Motors
- Variable Displacement Axial Piston Motors

GEAR PUMP AND MOTORS, FLOW DIVIDERS
ORIGIN: ITALY

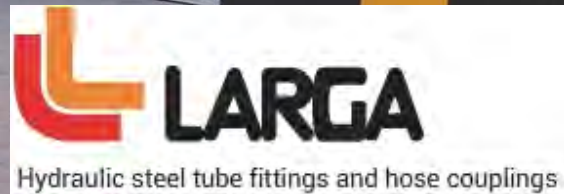

- Group 0, 1, 2, 3 Unidirectional Pumps
- Group 0, 1, 2, 3 Unidirectional Gear Motors
- Group 0, 1, 2, 3 Reversible Pumps
- Group 0, 1, 2, 3 Reversible Motors
- Group 0, 1, 2, 3 Flow Dividers
- Group 0, 1, 2, 3 Multiple Pumps
